

Into the Wild

Chapter 8-10 Discussion Questions

Revisit (skim) Ch. 8-9, then answer the following on a piece of paper (*one per group*):

1. What is the function of these chapters? How do they relate to the rest of the text?
2. Chapter 8 opens with some reactions to Krakauer's article about Chris. What do most people think? Why did K. choose to put this in the middle of the book here?
3. Why did Krakauer interrupt McCandless' story in Ch. 8-9?

Read Ch. 10 together and complete your sticky note (or paper entry). Then answer the following (same paper as Ch. 8-9 questions):

1. Why do you think Chris left trails so that authorities could find where he was?
2. Were you surprised that he did this?
