

TUESDAY - Vocabulary

Look up the words and copy definitions

1. Paradox
2. Romanticize
3. Ambivalence
4. Ethnography
5. Dubious

WEDNESDAY - Grammar

Combine the sentences for each number.

1. Women tend to communicate indirectly. Men prefer to communicate directly. Women and men are judged differently.
2. Indirection does not necessarily reflect powerlessness. Indirection can be the prerogative of those in power.
3. Japanese culture has developed indirectness to a fine art. Japanese culture operates on elaborate systems of indirectness.

THURSDAY

Take out article packet and review annotations for “Transformation...” from yesterday.

Skim the article again to refresh your memory!

FRIDAY - Quick-Write

Respond on your W-U paper from this week

To what extent do you feel language, gender, and cultural differences are recognized in our society?

Should an American “melting pot” be encouraged, or should people stay true to their own values/histories and make more of an American “salad”?
