

Language, Gender, and Culture

Module 9 Introduction

Module Background

- Interrogate gender norms and social pressures
- Understand relationships between gender, language, culture, and identity
- Consider how social norms are enforced

Module Goals

- Explain how language and culture norms shape identities
- Descriptively outline a speech
- Analyze and use personal experiences (your own and others') as evidence
- Evaluate authors' stylistic choices
- Use writing to propose social change

Quick-Write

Open Google Classroom and find the “Quick-Write Topics” document.

Read through the 5 prompts and select TWO to respond to.

Type your responses in the Google Doc.
